

RVP Private Course Providers

Following are private companies/individuals approved by the ABC Board to provide training required for certification in the Responsible Vendor Program and who market their services to licensees. Training can also be accomplished through in-house training programs which meet the minimum standards established by the Board. Staff of the Responsible Vendor Program are available to assist in the development of such courses.

****Statewide Course Providers market their services to licensees of their choice throughout the State of Alabama, while Selective Course Providers market their services to licensees of their choice in particular areas.****
