Honorable Robert Bentley Governor, State of Alabama Alabama State Capitol Montgomery, AL 36130

Dear Governor Bentley:

On behalf of the Alabama Alcoholic Beverage Control Board, which celebrated its 75th Anniversary in February 2012, it gives me great pleasure to submit to you the annual report for the fiscal year that began October 1, 2011 and ended September 30, 2012. The report describes the accomplishments and the financial gains over the prior year.

This agency operated approximately 173 ABC stores, 18 enforcement offices and the central warehouse which are leased from private landlords, infusing over \$10 million to the Alabama economy.

After the ABC Board paid all of its operating expenses, we distributed more than \$210 million to state and local governments while continuing to fulfill our primary mandate of producing revenues, regulation, enforcement, and education of alcohol, tobacco, and illegal drug issues.

We have continued our efforts to improve our store operations by opening or relocating stores during the year and are in the process of opening several more. In each case, we feel the new locations provide a safer, friendlier environment in a more convenient location for our customers, and, in addition, generate increased revenues for the State.

The Alabama ABC Board Enforcement Division is responsible for the enforcement of all liquor laws. The ABC Board fully funds this function out of operational revenues. With control of alcoholic beverages being our largest area of responsibility, the enforcement of all laws against youth access to tobacco products remains a high priority for this agency. During FY 2011-2012 we conducted 4,688 tobacco sale compliance checks. Of that number 380 resulted in sales, for a noncompliance rate of 8.11%. This rate continues to remain low each year underscoring the success of our enforcement and merchant education efforts. We also provide, to licensees and to the general public, information relative to alcohol abuse and to the laws and the consequences of their violation.

Our Enforcement Division has undercover agents to concentrate on street level drug operations statewide. Interdicting drug traffic has led to successes in public protection. The ABC Board continues to serve the people while providing control, awareness, and enforcement.

In their varied operations, ABC employees are committed to effectively continuing the mission of this agency: service to the citizens of Alabama.

Sincerely

Administrator

History and Mission

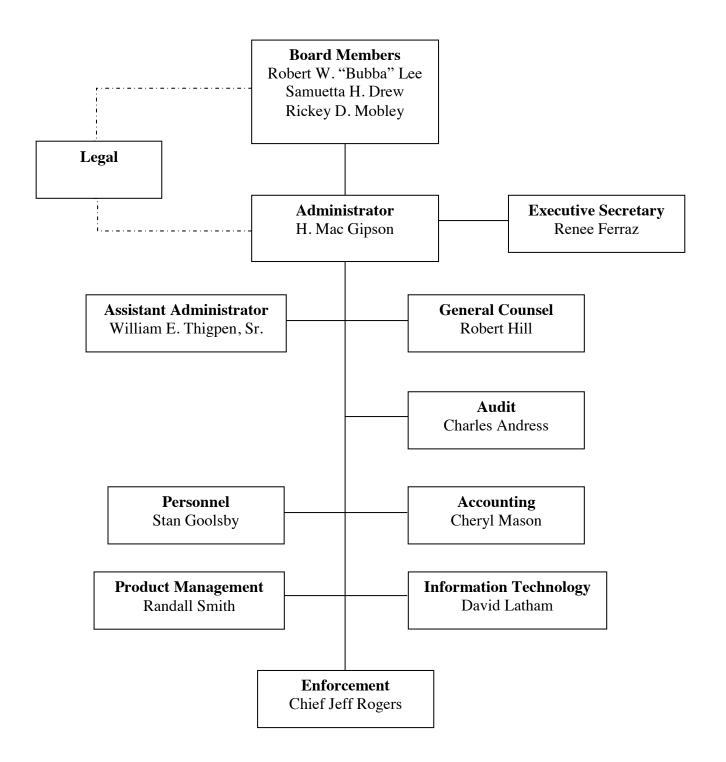

February 2, 2012 marked the 75th Anniversary of the passage of the Alabama Beverage Control Act. The passage of this Act, over the Governor's veto, ended twenty-two years of prohibition in Alabama. The first Board, approved by the Governor, and approved by the Senate on February 11, 1937, consisted of William O. Baldwin, Chairman, and Members Matt H. Murphy and John H. McCormick. The Board elected as its first Administrator John D. McNeel of Birmingham, and David E. Dunn of Montgomery as Assistant Administrator. After reviewing a number of systems in use in other "monopoly" states, those of Virginia and West Virginia were deemed to be most compatible with Alabama, and so those models were adapted for our state. The earliest meetings of the Board were held in the First National Bank in Montgomery until March 13, 1937, after which time they moved to the Armory on Madison Ave. Title 28, Chapter 3, Section 2 of the Alabama Alcoholic Beverage Control Act provided for a police power for the "protection of the public welfare, health, peace and morals" of the people of Alabama and prohibited transactions in liquor, alcohol, malt and brewed beverages, taking place within the State, except by and under control of the Board. Today, the ABC Board operators 172 ABC Stores and eleven Enforcement Districts provide for the safety of our citizens through their licensing, education, and drug and alcohol enforcement activities. The ABC Warehouse, located in the Central Office in Montgomery, supplies all of the liquor sold in the State. ABC Enforcement officers also provide security for the Governor's Office.

The ABC Board controls alcoholic beverages throughout the state through controlled distribution, licensing, regulation, law enforcement, and education. Youth access to tobacco products are controlled through retail sales permits, regulation, law enforcement, and education. Methamphetamine precursors are regulated through retail sales registration, education, and law enforcement efforts.

Operating expenses are paid by consumers of alcoholic beverages, tobacco manufacturers, and federal grant funding. The general public is not taxed to cover ABC Board expenses unless they purchase controlled products, although they do benefit from ABC operations through increased public safety and revenue distribution to cities, counties, state agencies, and the state general fund.

It is the ABC Board's goal to maintain a safe, reliable, and efficient distribution network of controlled products while maintaining an extremely professional level of public safety programs to insure responsibility in the distribution, possession and consumption of these products. ABC's law enforcement officers are well trained and operate at the highest level of professional police standards. The ABC Board strives each day to provide the citizens of Alabama the best service and safety that they should expect from our employees.

What's In the Price of Liquor?

*State Liquor taxes total 56% of cost & markup. The above bottle would generate income and taxes as follows:

1. General Fund	\$2.45
2. Human Resources	\$2.15
3. Mental Health	\$1.88
4. Various State Agencies and Local Governments	\$5.02

7 409 4

The ABC Board operates with a specific price structure.

The ABC Board operates with a specific price structure to determine the sales price for liquor and fortified wine products. This illustration utilizes a hypothetical \$20.28 bottle price on the shelf.

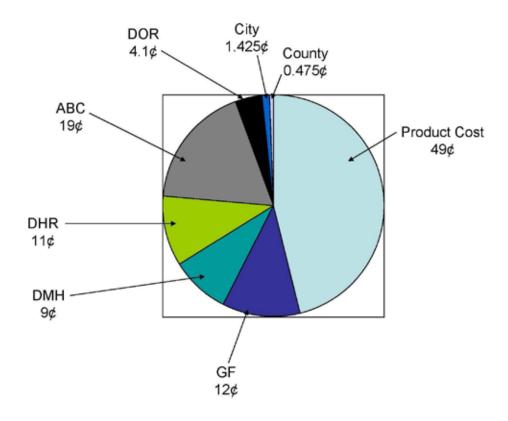

The ABC Board purchase price for this hypothetical bottle from the vendor is \$10.00. Included are the distiller's production, bottling, and labeling costs; freight to Montgomery; federal excise tax; and \$.90 per case for outbound freight.

The ABC Board marks up this product 30% based on its cost. Five percent of the markup goes to the State General Fund and 25% of the markup is used for operating expenses of the Board. Any portion not used for operating expenses is distributed to state and local agencies.

From the 6% sales tax for this bottle (\$1.22); 83 cents goes to the Alabama Department of Revenue, 29 cents goes to the City in which the sale was made, and 10 cents goes to County in which the sale was made. Profit and tax distributions from ABC store sales are governed by Title 28, Code of Alabama 1975.

Where does the money go?

For each retail dollar spent on the shelf price of a bottle of liquor in an ABC State Store, there is a 6% Sales Tax added. Funds from this sale are distributed to several different accounts. This in turn reduces the tax burden on the citizens of Alabama in general; providing dollars to the State General Fund, social & medical programs through the Department of Human Resources and Department of Mental Health, education, local budgets, tax administration and regulation, and statewide law enforcement.

For each \$1.00 of a purchase plus \$0.06 Sales Tax, funds are distributed as follows:

Cost of Product - \$0.49 State General Fund (GF) - \$0.12 * Department of Mental Health (DMH) - \$0.09 * Department of Human Resources (DHR) - \$0.11 * ABC - \$0.19 ** Department of Revenue (DOR) - \$0.041 City - \$0.01425 County - \$0.00475

^{*} Funds are reduced by TVA Supplemental Distribution to Non-Served Dry Counties as required by Act 2010-135.

^{**} ABC funds not spent for operations each year are distributed to the funds listed above as required by state law. (More than \$12.8 Million for FY 2012)

Product Management

The Product Management Division is responsible for the pricing, purchasing, warehousing, transportation, distribution, merchandising, stores, and sales of liquor products for the state. Product Management serves as the wholesaler for distilled spirits within the state. With a staff of sixteen central office employees, and six-hundred and fifteen store employees product management strives to maintain a pleasant shopping environment for adult consumers. Our sales staff is trained to serve the consumer and prevent unlawful sales.

Stores - Operates 172 retail and wholesale outlets in areas of the state where the sale of alcoholic beverages have been approved. Locations are selected to be convenient to the public and licensees, providing a safe and satisfactory shopping experience for adult consumers who purchase alcoholic beverages. Six new outlets were added and two were relocated. These changes should provide better service to the public. Online ordering has also been implemented, making ordering faster and more accurate.

Pricing - Product Management records and manages all price quotations on a quarterly basis. Recently Product Management changed the methods of processing price quotations by using a system created by the National Alcoholic Beverage Control Association which allows price quotations to be submitted via internet.

Purchasing - Product Management manages all shipments of alcoholic beverages to 172 retail and wholesale outlets on a weekly basis. P.M. coordinates loading of trucks with the ABC Warehouse, working with ABC stores to keep inventory at the most efficient levels, eliminating outages and overstocking of merchandise.

Warehousing - The ABC Warehouse ships and receives approximately 10,000 cases of liquor products to state operated retail and wholesale outlets daily. The Board maintains a warehouse inventory of approximately 275,000 cases year round. Recently the ABC Warehouse purchased additional shelving to better store cases of alcoholic beverages, leased an additional 40k square foot warehouse annex for bulk inventory, reclaimed 10k sq ft of space in the main warehouse for wholesale and special order codes, refurbished three shipping doors, in the process of testing four different LED lights to lower the cost of lighting and create a safer working environment for warehouse employees.

Transportation - Product Management directs the ABC transportation contract carrier to efficiently ship and deliver merchandise to ABC Stores on a daily basis.

Distribution/Wholesale - Product Management evaluates products to ensure customers have adequate selections and maintain distribution network to supply all ABC Stores. Each ABC outlet is replenished once a week.

Merchandising - Coordinates all merchandising efforts in 172 ABC retail and wholesale outlets including shelf settings and display locations in the stores.

Law Enforcement

The Law Enforcement Division of the Alcoholic Beverage Control Board was created in 1937 with passage of the Alcoholic Beverage Control Act. The 122 sworn officers of the Alabama Alcoholic Control Board's Law Enforcement Division serve under the classification of State Law Enforcement Officers, participate in the State Police Retirement System, and have full police powers throughout the state of Alabama. As part of the ABC Board, there are 30 support personnel within the Law Enforcement Division which are funded by ABC operating accounts, grants and special appropriations, and do not require funding from the State General Fund. ABC Enforcement duties and responsibilities include:

- Serves as the primary state law enforcement agency tasked with the enforcement of alcoholic beverage laws in the state.
- Alcohol investigations include the illegal manufacture, possession, transportation, or sale of alcoholic beverages, and minor access/possession. Federal grant funding through the U.A. Department of Justice and Alabama Department of Economic and Community Affairs allows additional man-hours and resources to concentrate on Underage Drinking issues. As a result of hard work and continued efforts, the rate at which minors have access to alcoholic beverages through retail locations has decreased, as reflected by out Minor Compliance Check noncompliance rate which decreased substantially over the past decade.
- Issues, regulates and investigates Alcoholic Beverage Licenses for all locations in the state selling alcoholic beverages. With recent legislation allowing more small cities to hold wet/dry referendums, the task of licensing and regulation is becoming more demanding and complex than at any time in our history.
- Serves as the primary state law enforcement agency tasked with the enforcement of tobacco laws in the state.
- Tobacco investigations include the responsibility of investigating the sale, possession and use of tobacco products for minors. Federal grant funding through the U.S. Food & Drug Administration and Alabama Department of Public Health allows additional man-hours and resources to concentrate on Underage Tobacco Use issues. Additional legislative appropriations from the Children First Trust Fund through the Alabama Department of Children's Affairs help to cover the cost of regulating and enforcing tobacco sales. The completion of requirements under federal SYNAR legislation protects approximately \$40 million in federal funding for the Alabama Department of Mental Health. As a result of hard work and continued efforts, the rate at which minors have access to tobacco products through retail locations has decreased substantially.
- Issues, regulates and investigates Tobacco Permits for all locations in the state selling tobacco products.

- Any business location in the state, not covered by the Alabama Board of Pharmacy, that manufactures, distributes or sells Ephedrine products that may be used in the process of illegally manufacturing Methamphetamine are required to register each year. ABC Enforcement is also included in state law that requires cooperative efforts with the Alabama Substance Abuse Task Force and the Alabama Criminal Justice Information Center to assist in the operation of an Ephedrine sales database and to present training related to Ephedrine sales and Methamphetamine use. Investigates the illegal manufacture, sale, possession and use of illegal drugs in the state. Because ABC agents are in the areas where drug sales and use are prevalent, it is a natural association that they will identify and investigate these types of illegal activities. Federal funding under the Byrne Grant program from the U.S. Department of Justice and the Alabama Department of Economic and Community Affairs helps to cover the cost of drug investigations.
- Provides security for all ABC Stores, Warehouse and Central Office facilities. Currently Warehouse and Central Office security is conducted by 2 Facility Police Officers, supplemented by a private security company through state contract. The Store Security Unit provides installation, maintenance, monitoring and data retrieval for all ABC facilities through the use of alarms and digital video recording equipment. ABC Enforcement Agents also investigate criminal activity and violation of policy/procedures at ABC facilities. During normal daily activities and peak sales seasons, ABC Enforcement Agents provide security to ABC Stores to help with crowd control and bank deposits.
- When called upon, ABC Enforcement Agents provide Executive Protection Services to state officials and visiting dignitaries.
- ABC Enforcement is a first-line response force for the Alabama Emergency Management Agency (EMA) in times of natural disaster or terrorist attack. While the first priority is to protect state property and ABC facilities, Agents are assigned to assist other state and local law enforcement agencies to maintain public safety as needed. ABC Agents stand ready to assist other law enforcement agencies when assistance is needed.
- The Enforcement Division also operates a toll-free hotline (1-800-327-7341) to take complaints and gather information related to criminal activity.

Responsible Vendor Program

The Responsible Vendor Program was implemented in October of 1990. The intent of the Alabama Legislature in passing the Alabama Responsible Vendor Act is to eliminating the sale of alcoholic beverages to, and consumption of alcoholic beverages by, underage persons, and the reduction of intoxication and accidents, injuries, and deaths in the state related to intoxication.

The Alabama Responsible Vendor Program is a voluntary program for licensees to join and certify thru the Alcoholic Beverage Control Board. Alabama's program requires the licensee to train all employees involved in the management, sale or service of alcoholic beverages. This training includes Alabama alcoholic beverage laws, legal age determination, civil and criminal penalties, and risk reducing techniques. Licensees who voluntarily join the program are also required to establish policies ensuring legal and responsible sales and to train employees in these policies.

The Alabama Responsible Vendor Program Division establishes the guidelines required for licensees to be certified into the Responsible Vendor Program. The program approves courses for private course providers that want to market their services to licensees and also individual companies who want to create and obtain their own course approval to train their employees. At this time the Responsible Vendor Program has approximately 200 approved courses.

The Responsible Vendor Program Division has 5 Compliance Specialists that cover all 11 Enforcement districts throughout the state. Their jobs consist of conducting inspections of license locations, monitoring trainings, assisting licensees, corporations and training companies that are trying to obtain course approval. They also make presentation to schools, colleges, civic groups and organizations on underage drinking.

Administration

Accounting – Processes receipt of all revenue for the ABC Board coming from alcohol sales, excise taxes, sales taxes, license fees and penalties, grant funding, tobacco settlement funding through the Children's First Trust Fund, and property seizures related to criminal enterprises. After operating expenses are paid, within the guidelines of legislative spending approval, all remaining profits and all taxes are distributed as required by law to cities, counties, state agencies, and the state general fund. Accounting is also responsible for all budget operations, grants, financial reports, mail room operation, equipment inventories, and property management for the board.

Administrative – Provides services to the Administrator and Assistant Administrator for daily operations. This includes preparation and documentation for Board meetings, public relations, real estate management, legislative liaison, and legal counsel.

Auditing – The Audit Division of the ABC Board audits the records of all beer and wine wholesalers, and ABC Stores, conducts physical inventories of the wholesalers, ABC Warehouse and ABC Stores, and performs internal audit functions for the Board. This Division receives monthly reports from all licensed beer and table wine wholesalers and invoices from manufacturers of products sold to Alabama wholesalers. A comparison is made to ensure that all shipments of beer and table wine are reported, and that tax computations are complete and accurate. Detailed on-site audits of the wholesaler's records are conducted by the audit staff in order to ensure that appropriate taxes are paid and the operations of the licensee are conducted in accordance with Title 28, *Code of Alabama (1975)* and the Alabama ABC Board Rules and Regulations. Reports are completed and sent to the Administrator and the Enforcement Division for any corrective action deemed necessary.

The Audit Division conducts physical inventories of the ABC Warehouse, making a physical count of all products and reconciling the count with the perpetual inventory. Internal audit procedures ensure adequate controls of fiscal procedures, compliance with state laws and Board regulations, and management of the agency's assets. ABC Board financial statements are reviewed and tested for continuity and accuracy. These procedures safeguard the taxpayer's interest.

The auditors conduct audits of ABC Retail and Wholesale Stores during the fiscal year. These audits include a physical inventory of all merchandise and comparison of the results with store's perpetual inventory. During these audits, the daily receipts, petty cash fund, change fund and equipment assigned to the store are checked for accuracy and compliance.

Information Technology (**IT**) – Is responsible for planning, implementing, and maintaining all communications and data systems for the ABC Board. Cash registers, credit card processing, electronic inventory, databases, software systems, data connections, computers, phone systems, data and technology security, and wiring all fall under the responsibilities of IT. This requires 24 hour service, upgrades, and liaison with other state agencies, software manufacturers, hardware providers, and contractors in the technology arena.

Personnel – Is responsible for the control of hiring, service, and separation of all employees of the ABC Board. This includes employee file maintenance, benefits maintenance, illness/injury monitoring, complaint management, payroll management, training & information, and disciplinary procedures. ABC Personnel monitors compliance with and updates related to ABC Policies, State Personnel Board Rules, Merit System laws, and federal regulations related to employment procedures. ABC Personnel provides service to a large employee staff in many classifications related to stores operations, law enforcement, clerical, and executive management.
