

## Alabama Alcoholic Beverage Control Board Licensing and Compliance Division

### Delivery Service Scanning Software Approval Request

This approval request form is intended only for Delivery Service License Applicants to request approval of the scanning software or "state-of-the-art-alternative" used by their delivery personnel.

Pursuant to Act 2021-188, all applicants for a delivery service license must submit detailed information regarding the operation of the program to be used for scanning identification during delivery for approval by the Alabama Alcoholic Beverage Control Board. Along with this information, please submit this completed and signed form to [applications@abc.alabama.gov](mailto:applications@abc.alabama.gov) for approval. Signatures may be completed electronically. Allow up to two weeks for processing. If your scanning software or "state-of-the-art alternative" is approved, you will receive a stamped, approved copy of this document. The approved copy must be included with your application for a Delivery Service License (Form LCD-43) as part of the required documents.

If your scanning software or "state-of-the-art alternative" is not approved, you will need to make revisions and resubmit for ABC Board approval.

**\*\*PLEASE NOTE\*\* Any scanning software, or a state-of-the-art alternative, is strictly a tool to be used in assisting with prevention of alcohol being sold, served, or furnished to a minor. Any violation of Title 28-3A-25(a)(3), pasted below, will result in criminal and administrative sanctions.**
